

Instructions :

1. Submit your Module 2.2 Assignment to Module 2.2 Assignment Submission Link.
2. Document must be formatted to PDF File Format.
3. Filename must be Complete_Name_Module2_2_Assignment.PDF. (Ex. Adomar_Ilao_Module2_2Assignment.PDF)
4. Place your name at the upper-left part of the document.

Assignment

You are working on a project to develop a new or enhanced system to help people at your college, university, or organization to find jobs. The system must be tailored to your student or work population and be very easy to use. Write a short paper describing how you would collect requirements for this system. Explain each data gathering tool and create example of the data gathering tool which will help you identified the following :

- determine the features/scope of the desired system
- determine if the design is acceptable in terms functionality, UI and UX design and usability
- Determine what device to deployed desired system

Scoring

- Explanation of the Data Gathering Tools (Questionnaire, Observation, Interview...so on)-10 pts
- Actual Data Gathering Tools – 30 pts
